Quality Points: Students enrolled in rigorous courses are awarded additional quality points. These additional points are called "weighted" points. One full quality point is added to the Grade Point Average (GPA) of students who take AP and DE classes. Honors courses receive an additional .5 to the GPA.

Ranking: The King's Academy offers a balanced experience for every student. Our goal is to reach every child academically, spiritually, and socially. The King's Academy program is comprehensive and rigorous. Our students have a long history of excellence in their academic pursuits, and we rank for purposes of selection of Valedictorian and Salutatorian. However, we do not feel the exceptional work of our students can best be demonstrated by a single statistical ranking. We do not believe that ranking students provides a valid measure of student achievement, and therefore we do not publish class rank as part of the college admission process.

Prefect Council: The Prefect Council is a council of student leaders who lead the entire student body. The Prefect Council is an umbrella of student leadership that coordinates student life in the areas of athletics, fine arts, guidance, spiritual life, service and student life itself. The Prefects are selected by a panel of administrators and faculty through a stringent interview process. They are senior leaders who possess a high degree of commitment to the school's values and ideals. Their emphasis is on service, not privilege.

Community Service: The King's Academy does not have a minimum number of community service hours for graduation. However, community service is strongly encouraged and is integrated into the secondary program. The112 seniors of the Class of 2014 logged 26,050 community service hours during their four years of high school.

Ambassadors: The King's Academy Ambassadors conduct school tours, welcome prospective and new students, and assist at events both on and off campus throughout the year. Student Ambassadors are selected by the Administration, Faculty and Staff to represent The King's Academy. Students who are selected have a personal relationship with Jesus Christ, maintain good grades, are willing to meet and greet the public, and have a friendly personality.
