

Dear Friends,

The King's Academy will be hosting our Mane Event Dinner and Auction on Saturday, February 25, 2017. The auction is our school's largest fundraising event and we are expecting more than 400 guests from around Palm Beach County. I am writing **to ask for your support by donating an item to be auctioned or by purchasing an ad in our Auction Program.** With your support, we are sure to have another very successful event!

The King's Academy is a non-profit, non-denominational, fully accredited Christian school, now in its 47th year. We serve more than approximately 1,200 students from Preschool through 12th Grade. Proceeds from the event benefits TKA's Annual Fund which provides a strong financial base for King's to pursue and create a challenging educational experience for our students.

Partnering with The King's Academy through a donation will allow you to market your product or business to The King's Academy school community through the following:

- A picture of your donation or company logo will be featured in our online auction catalog
- A complete description of your donated item or service on the online catalog
- A link back to your website from our online auction catalog
- Your business name will appear in our auction program
- You will acquire a broader consumer base through our constituent base
- Additional recognition through various auction publications

All donations are tax-deductible. Please complete the form provided and return it along with your donation to the school or contact me to make arrangements for pick up/delivery. Please feel free to call with any questions (561) 686-4244 ext. 319.

Thank you in advance for supporting the mission of TKA!

Sincerely,

Rosario Larson  
Development Coordinator
