The College Counseling Office hosted its annual Christian College Fair on Tuesday. Students from the West Palm Beach and Clewiston campuses as well as students from several local high schools learned about opportunities at some of the best Christian institutions across the nation. It was a great way for students to begin their college search or dig deeper into schools they are already interested in. TKA remains dedicated to giving students exposure to a variety of college options and to assisting them in the college planning process.

Sixth Grade Retreat

Sixth graders enjoyed a two-day retreat at Life for Youth Camp in Vero Beach this week. The retreat provided a dedicated time for them to bond as a class, be challenged as leaders, and draw closer to God. The camp site also offered fun activities during free time such as waterslides, go carts, a rock climbing wall, and paddle boats. Students participated in a time of praise and worship each day with teaching by Family Church Children's Pastor George Estornell. What a joy to share that several students accepted Jesus as their savior during the two-day retreat.
