Residential Life

Homestay

"Being able to know about all of the different aspects and things to plug the students into at TKA was our first heartbeat. When the international students arrive, we want them to feel a part of something bigger." **Dorm Parent**

The International Student Program recruits host families and dorm parents through the network of teachers, parents, and community partners at The King's Academy.

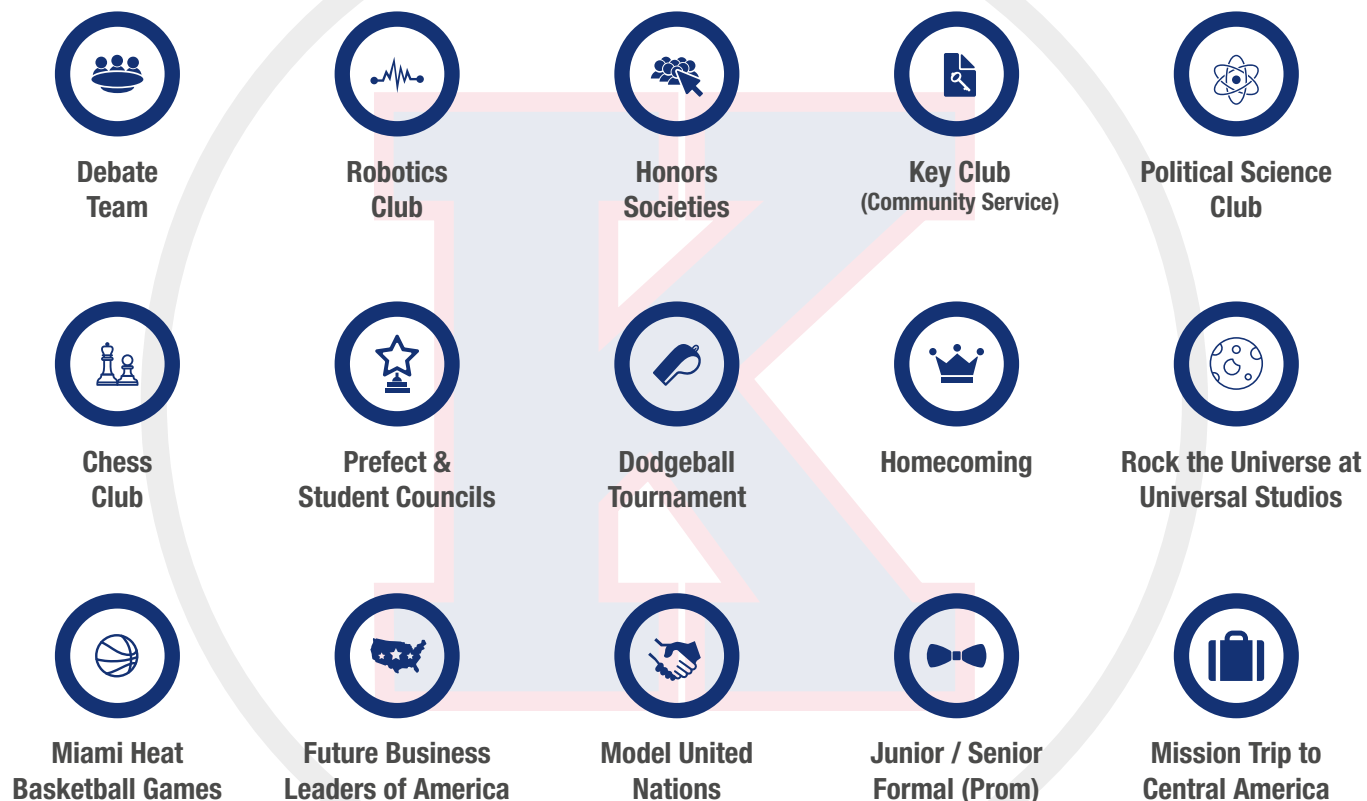

Host families provide students the **authentic experience** of living with an **American family** through **cultural integration** and personalized care

Individual family attention provides the student with the **social and emotional support** to enjoy a **rich cultural experience**

Integration

"Thank you for the wonderful time that our daughter spent at the King's Academy. You chose the perfect host family and she was very well taken care of, both at home and at school. She loved her time at TKA. In two years' time, we'll send her younger brother over - he loved hearing about her experiences in West Palm Beach." **TKA International Parent (Germany)**
