AP Classes	1.0
Dual Enrollment	1.0
Honors	0.5

**Quality Points and Ranking**  
 Students enrolled in rigorous courses are awarded additional quality points. These additional points are called "weighted" points. One full quality point is added to the Grade Point Average of students who take AP and DE classes. Honors courses receive an additional 0.5 quality point added to the GPA.  
 The King's Academy offers a balanced experience for every student. Our goal is to reach every child academically, spiritually, and socially. The King's Academy program is comprehensive and rigorous. Our students have a long history of excellence in their academic pursuits, and we rank for purposes of selection of Valedictorian and Salutatorian. However, we do not feel the exceptional work of our students can best be demonstrated by a single statistical ranking. We do not believe that ranking students provides a valid measure of student achievement, and therefore we do not publish class rank as part of the college admission process.
