Another Successful Boutique & Trunk Show!

TKA's 9th Annual Boutique & Trunk Show did not disappoint. More than 500 hundred families and friends spent the day shopping and visiting while supporting King's. The *Boutique Bake Shoppe* was once again a popular hit with guests and students! A special thank you to everyone who donated delicious treats. Thank you to the incredible ladies on the Boutique & Trunk Show Committee under the leadership of Event Chair Teddy Walker, Bake Shoppe Coordinator Apryl Scalici, and Silent Auction Chair Andrea Hayes.

TKA Students Rank Nationally

Congratulations to **National Merit Semi-finalists**, Alex De La Rua and Brendan Wernisch on their prestigious recognition by the **National Merit Hispanic Recognition Program**. Each year, the College Board's National Hispanic Recognition Program recognizes 5,000 Hispanic/Latino students for their performance on the PSAT/NMSQT test. These students were in the top 2% among Hispanic and Latino students nationwide!

Congratulations to **National Merit Commended Scholars** Noah Gorgevski-Sharpe and Trent Hannan, based on their exceptional scores on the 2017 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT). Approximately 1.5 million high school students take the PSAT each year, of those 50,000 are named Commended Scholars, ranking their performance in the top 3% of high school seniors in the United States.

Students Lead Prayer at *See You at the Pole*

Students, parents, faculty, and staff gathered by the flagpole on Wednesday, for *See You at the Pole*. It was a powerful time of praise and prayer as a school community. *See You at the Pole* is an annual gathering of Christian students of all ages at flagpoles in front of their local school for prayer, scripture-reading and worship during the early morning before school starts. This year's theme was "Broken" based on Ephesians 3:14 "I fall on my knees before the Father." [Click here](#) to see more photos.

Secondary RUSH Chapel

Thursday was RUSH or Secondary Spiritual Emphasis. Special chapel services were held separately for the boys and the girls. The boys were challenged by Scott Sawyer, former teacher at The King's Academy, who called upon the young men to challenge their pride and create genuine, authentic Christian brotherhood.

The girls heard from *New York Times* bestselling author and nationally sought-after speaker, Mo Isam. Mo was an All-American goalkeeper for the LSU Women's Soccer team and the first female to train with and try out for an SEC men's football team. She shared her testimony of a life that was riddled with great personal tragedy, but is now a Holy Spirit-filled daughter of God who isn't afraid to speak bold, raw, courageous TRUTH to a generation being crushed under the weight of their sin, their circumstances and the lies of the enemy.

Cory Croteau Named Player of the Week

Congratulations to senior Cory Croteau of Lions Football! Cory was named the Florida High School Football / Riddell Sports 3A Player of the Week for his performance against Immaculata Lasalle on September 14. Cory also set the school record for longest interception returned for a touchdown with a 100 yard 'pick six' that electrified the crowd on August 31 against John Carroll High School.

3rd Annual Cardboard Classic Boat Race

TKA's elementary Explore program students held their 3rd Annual Cardboard Boat Classic at the Full-Page Aquatic Center today! Teams of 2-3 students built cardboard boats and competed against each other by completing two laps of the pool without sinking. Congratulations to Division I (4th-5th grade) winners *The Girl Glider* (Hannah Danion, Lizzy Lutkins, Elliana Nabhan) and Division II (6th grade) winners *The Recovery* (Ben Fischer, Jude Kolkana, and Noah Meza). The event ended with a "family race" between TKA administrators Randy Martin and Adam Miller, TKA parent Don Kratzenberg and his 6th grade daughter Colleen, and the Division I and Division II winners. Congratulations to *The Girl Glider* for sweeping the win. [Click here](#) to see photos.

Third Graders Learn from MLB Player

Third grade students were visited by major league baseball player Luis Alicea on Wednesday. Mr. Alicea played in the majors for 13 years and was a coach for the Red Sox 2007 World Champions team. He spoke about putting God first in life and how focus on hard work, determination, obedience, and humility are required to reach goals in baseball and in life. Thank you to Brady and his father Tony Heminger in Mrs. Patchin's class for organizing the visit. [Click here](#) for more photos.
