## Important Dates

*The deadline to join, apply, and pay dues to all organizations for new AND returning members is September 27, 2019.*

Students may begin this process now, if they choose, by contacting the sponsor and applying, re-applying, and paying the dues. TKA will be holding a "Dues Week" September 23-27, 2019. During this week all the organizations will be out at lunch collecting everything needed from new and current members.

After September 27, 2019 the clubs and honor societies will be closed for entrance this year.

New members INVITED into the honor societies will receive their invitation either through email or a hard copy letter by the middle of September and induction will be held October 28, 2019. But new member dues must be paid by September 27, 2019.

If a club or honor society has a first semester service requirement, that requirement must be fulfilled by December 19, 2019. If a club or honor society has a second semester service requirement, that requirement must be fulfilled by April 17, 2020 for seniors and by May 8, 2020 for 7-11 grade (unless that club states otherwise) Failure to meet the requirements for a particular organization may result in the student being removed from the organization and/or not being able to participate in that organization the following school year.
