## Students Share Christ's Love

Secondary students were the hands and feet of Jesus last Saturday as they served the many families attending the Access Life Expo at John Prince Park. Access Life uses the Expo to reach out to individuals living with disabilities and their families by creating a safe atmosphere of unconditional love, wholesome fellowship, and fun. Students served by assisting as "buddies" on boat rides, bank fishing, archery, kayaking, hay rides, face painting, arts and crafts, games, and much more. Thank you to all the TKA families who donated items for the "goody bags." Five hundred bags were packed and given to each participant.
