Orientation & Proctor Form(s):

Each student will complete a *Learning Management System* orientation prior to beginning coursework as well as completing an assessment proctor form. A parent or guardian can serve as the student's assessment proctor throughout the course(s) but the school reserves the right to require on campus testing.

There are fees applicable for dropping and/or changing course enrollments. All changes must be approved and fees must be paid before changes to courses can be processed.

TKA students will be given grade replacement for the coursework that is taken.
