

The King's Academy Safety Protocols At-A-Glance

The King's Academy is committed to the health and safety of each student, faculty and staff member. During these unprecedented times, the following safety protocols have been established to ensure the safe reopening of the campus.

- 1 Face coverings required** for faculty, staff and students 
- 2 Daily health screenings** for students, faculty, and staff 
- 3 Socially distanced classroom seating** 
- 4 Hand sanitizing stations** in each classroom and across campus 
- 5 Classrooms equipped with cameras** for recorded daily lessons 
- 6 Daily professional cleaning/disinfection** of classrooms/high traffic areas 
- 7 Disinfecting UV light bars** installed in AC units 
- 8 New expanded outdoor covered dining areas** 
- 9 Lunch served in prepackaged** single-use containers 
- 10 Small group chapels** 
- 11 Safety training** for faculty and staff 
- 12 Virtual events** for the first semester 
- 13 No field trips** for first quarter and no overnight trips for first semester
