

TKA Elementary Remote Learning Registration Form – Fall 2020

This program is intended for families wishing to have their child continue their studies with The King's Academy and learn under the instruction of TKA teachers while remaining at home.

Instruction will be delivered to the student remotely. Classroom lessons are pre-recorded on a one-day delay and available for view through the student's TKA Google Classroom. Students will submit work electronically through Google Classroom and/or parents can pick-up and drop-off paperwork to the front office. Grade levels will vary as the developmental age of the child will determine the appropriate method. Students will be required to take tests in the format delivered by the teacher.

Full Tuition is required to participate in TKA Remote Learning and will enable your student to return to traditional, on campus learning. (Re-entry to traditional learning available each quarter: Oct. 13, Jan 5, March 22)

Students selecting this program must elect by July 31st, 2020 and are committing to stay online for the quarter and the entirety of any subsequent quarter a student begins.

Please email the completed form to the Elementary Principal at amiller@tka.net.
